IMPORTANT UPDATE – Tournament Pass & Championship Game Changes

We want to extend our heartfelt thanks to all our fans for the unwavering support that has made this tournament one of the premier charitable events in our community. Your generosity allows us to continue our mission of providing Amtrykes to those in need.

This year, we are introducing an important update: **Tournament Passes will be available for purchase; however, Championship Games will not be included in these passes.**

This change is being made to address safety and crowd control concerns, as gym capacities cannot be exceeded. Each Championship Session will require a separate ticket and all fans must exit before the next session begins.

We appreciate your understanding as we prioritize the safety and enjoyment of all attendees.
